

## NURSERY REGULATIONS 2019\*2020

Children must arrive washed and changed (there is no bath in the nursery). Children are changed as needed and on average every three hours. Clothing must be marked with the baby's name.

For safety reasons, necklaces, earrings are not allowed in the nursery. Items brought from home, except comforters, are stored upon arrival at the nursery. Milk bottles (called "growth") and diet foods are supplied by the parents.

Milk bottles are prepared as and when required. For the nursery, the equipment provided by parents:

- Sterile Bottles (depending on age).
- Formula or breast milk.
- Doll and comforters if required.
- Two complete outfits (more, when potty training).
- Slippers
- Nappies / swimsuit and towel
- Antipyretic adapted to the age of the child
- Sun cream
- Hat for sun.

List of exclusion cases from nursery:

Criteria for temporary exclusions of a child before a medical examination:

- Signs of possible severe illness such as lethargy, irritability, persistent crying, breathing difficulty.
- Any child with fever greater than or equal to 38 ° should see his/her doctor before being admitted to the nursery.
- Rash with fever.
- Conjunctivitis.
- Diarrhea.
- Vomit more than 2 times a day
- Dysphagia accompanied by anorexia and hyper salivation.
- Lice infestation until 24 hours after the start of treatment.
